Re: Federal Election Commission Complaint - MUR No. 6713
Our File No.: 509567-11

Dear Kim:

As you know, and pursuant to our discussion on January 23, 2013, I represent the interests of Carey Vaughn Brown ("Mr. Brown"), Credit Payment Services ("CPS") and Energy Way Corp. ("EWC") in the above-referenced matter (collectively referred to herein as "Clients"). To that end, please find the attached Statement of Designation of Counsel for each Client identified.

It is my understanding that Mr. Brown's response to the Federal Election Commission's ("FEC") Complaint is due on or before February 4, 2013. To the best of my knowledge and belief, CPS and EWC have not yet received the Complaint. However, the companies will agree to designate February 4, 2013 as the date their responses are due in order to allow the undersigned to enter his appearance for all Clients at one time.

As we discussed, please let this letter serve as my Clients' request in writing for an extension of time of 30 days to respond to the Complaint served, pursuant to the Description of Preliminary Procedures for Processing Complaints Filed with the FEC. As I informed you, my Clients are willing to cooperate in any manner required by the FEC and believe they have done nothing improper. To that end, this request for an extension of time is not made for hindrance, vexation or delay, but is made solely in the interest of seeking justice to allow my Clients the time to fully and properly respond to the FEC's Complaint.

Very truly yours,
